Best Training for Best Career

Technical & Campus Recruitment Training

Campus Recruitment Training (CRT) is a programme exclusively designed for the students preparing for recruitment. Its aim is to ensure that the students are well-equipped to get through the recruitment process of various IT and non-IT companies. The institute has in-house trainers to provide regular training to students on Aptitude, Reasoning, Soft Skills and Personality Development. The students are trained on interview skills as well.

The CRT training begins right from first year with **CAP (Career Awareness Program)** focusing on analyzing the training needs of the candidate and helping them to choose their career path with the help of various experts from industries.

From Second year onwards students undergo **SAP (Skill Advancement Program)**. The students undergo various trainings and certification programs to upgrade their technical, behavioral & Professional skills. The curriculum of SAP is designed based on industry requirements inculcating the feedback from industry experts.

During their course period students learn domain specific trainings apart from their core subject prescribed in university syllabus-

Mechanical AutoCAD, ANSYS, CATIA, C/C++/PYTHON, EV & Automation	Electrical AutoCAD, MATLAB, PLC, SCADA, C/C++/PYTHON, EV & Automation	Computer Sc./MCA IOT, BlockChain, Artificial Intelligence, Machine learning, Cloud Computing, Metaverse
MBA/BBA Banking, Insurance, Retail Management, E-Commerce, Digital Marketing	B.Com Banking, Insurance, Retail Management, E-Commerce, Digital Marketing, Auditing	B.Sc./ BCA JAVA, C, C++, PYTHON, IOT, Web Development, AI& ML

During their academic journey the students visit various industries to learn the technical Skills.

The institute provides opportunities to students to learn from various corporates. Institute has signed MoUs with several leading corporates to help students in Industrial Training, Live Projects & internships.
